

## Uniform Jacket

Eric Mann models the new school uniform jacket.

It costs €28 and is available from *Topshop* in Ballyfermot.

It is reversible and waterproof.

## The Active School Flag

The Active School Flag is a non competitive initiative which highlights the importance of P.E., physical activity and sport in schools and communities in which they are based. It is hoped to raise awareness of the importance of games and movement and to encourage our pupils and their families to develop skills. We hope to provide opportunities for each child to achieve by having suitable activities for all.
